Issue 생성 및 담당자 지정

issue template 선택

The screenshot shows the GitHub 'All issues' page. On the left is a sidebar with navigation links: Issues, Assigned to me, Created by me, Mentioned, Recent activity, Views, Projects, Milestones, and Labels. The main area is titled 'All issues' and contains a search bar with the text 'is:issue state:open'. A 'New issue' button is in the top right. Below the search bar, a modal titled 'Create new issue' is open, displaying three templates: 'Bug report' (Create a report to help us improve), 'Feature request' (Suggest an idea for this project), and 'Blank issue' (Create a new issue from scratch). A red arrow points to the 'Feature request' option. The modal also includes a 'Give feedback' link at the bottom right.

2단계: 팀원 > Issue 번호 확인

할당된 Issue 및 번호 확인

The screenshot displays the GitHub interface for the repository 'goodjob-tutorial/team-project'. The 'Issues' tab is active, showing a list of issues. The first issue, '로그인 화면 개발' (Login screen development), is highlighted with a red arrow. The issue is labeled 'feature' and has a status of 'Open'. The issue number is '#2' and it was opened 3 minutes ago by user 'mrcho593'. The interface also shows a search bar, a 'New issue' button, and a sidebar with navigation options like 'Assigned to me', 'Created by me', 'Mentioned', and 'Recent activity'.

Issue 번호 확인

The screenshot shows a GitHub repository page for 'goodjob-tutorial / team-project'. The 'Issues' tab is selected, showing a single issue titled '로그인 화면 개발 #2' (Login screen development #2). The issue is marked as 'Open' and has a 'Feature' label. It was opened 5 minutes ago by user 'mrcho593'. The issue details include: name: Feature Request, about: 로그인 화면 개발을 등록합니다. (Register login screen development), title: "[Feature] 로그인 화면 개발 ", labels: "feature", and assignees: "". A red box highlights the issue number '#2'. On the right, the 'Assignees' section shows 'good593' assigned. The 'Labels' section shows the 'feature' label. The 'Type' section shows the 'Feature' type. The 'Fields' section shows a 'Priority' dropdown set to 'Choose an option'. A 'New issue' button is visible in the top right.

3단계: 팀원 > Issue 기반 Branch 생성

Issue 번호 기반 작업 Branch 생성

The screenshot shows a GitHub issue page for '로그인 화면 개발 · Issue #2 · goodjob-tutorial/team-project'. The issue is marked as 'Open' and is a 'Feature'. The left sidebar contains a '완료 조건' (Completion criteria) section with two unchecked items: '기능 구현 완료' and '정상 동작 확인'. Below this is a '참고사항' (Notes) section with a prompt to write related pages, APIs, or documents. The right sidebar shows various settings: 'Target date' (Choose a date), 'Effort' (Choose an option), 'Projects' (No projects), 'Milestone' (No milestone), 'Relationships' (None yet), 'Development' (with a red box around the text 'Create a branch for this issue or link a pull request.' and a red arrow pointing to it), and 'Notifications' (Customize). The bottom of the page shows a commit history with two entries by 'mrcho593'.

feature branch 명명규칙: feature-기능명

The screenshot shows the GitHub interface with a modal dialog titled "Create a branch for this issue". The dialog has a close button (X) in the top right corner. Inside the dialog, the "Branch name" field is highlighted with a red box and contains the text "feature-login_page". Below this, the "Repository destination" is set to "goodjob-tutorial/team-project" and the "Branch source" is set to "main". Under the heading "What's next?", there are two radio button options: "Checkout locally" (which is selected) and "Open branch with GitHub Desktop". At the bottom right of the dialog, there is a green "Create branch" button, which is pointed to by a red arrow. The background of the screenshot shows a GitHub issue page with a title "참고사항" and a description "관련 화면, API, 문서 등이 있다면 작성해주세요.". There are also some activity logs and a "Add a comment" section visible.

생성된 브랜치로 이동

The screenshot shows the GitHub interface for the repository 'goodjob-tutorial/team-project'. The 'team-project' repository name is highlighted with a red box. The 'Code' button in the top navigation bar is also highlighted with a red box. The 'main' branch is selected in the branch dropdown, which is also highlighted with a red box. A dropdown menu is open, showing a list of branches: 'main' (checked), 'feature-login_page', and 'View all branches'. A red arrow points to the 'feature-login_page' branch. The 'About' section on the right indicates no description, website, or topics are provided.

Git Clone

The screenshot shows the GitHub interface for the repository 'goodjob-tutorial/team-project'. The current branch is 'feature-login_page'. The 'Code' button is highlighted in green, and the 'Clone' dropdown menu is open, showing the 'SSH' option selected. A red arrow points to the 'SSH' option. The repository is public and has 2 branches and 0 tags. The file list shows '.github/ISSUE_TEMPLATE', 'README.md', and 'README'. The 'About' section on the right indicates no description, website, or topics are provided.

4단계: 팀원 > 개발 및 Commit

기능 개발 → Commit → Push

The screenshot shows the Visual Studio Code interface with a project named 'team-project'. The Explorer sidebar on the left shows the file structure: 'team-project' containing '.github', 'login.html', and 'README.md'. The 'login.html' file is selected and open in the main editor. The code in the editor is as follows:

```
1 <!DOCTYPE html>
2 <html lang="en">
3 <head>
4   <meta charset="UTF-8">
5   <meta name="viewport" content="width=device-width, initial-scale=1.0">

6단계: 팀장 > 리뷰

코드 확인 → Approve 또는 수정 요청

The screenshot shows the GitHub interface for the 'goodjob-tutorial' repository, specifically the 'team-project' branch. The 'Pull requests' tab is selected and highlighted with a red box. A notification banner at the top states: 'Label issues and pull requests for new contributors. Now, GitHub will help potential first-time contributors discover issues labeled with good first issue.' Below this, there are filters for 'is:pr is:open' and buttons for 'Labels 7', 'Milestones 0', and 'New pull request'. A table of pull requests is displayed, with the first entry highlighted by a red arrow and a red box around the assignee's profile picture:

	Author	Label	Projects	Milestones	Reviews	Assignee	Sort
☐ 1 Open ✓ 0 Closed

코드 확인

The screenshot shows a GitHub pull request page for the repository 'goodjob-tutorial / team-project'. The pull request is titled '[Feature login page] 개발 완료 #3' and is in the state 'Awaiting approval'. A notification at the top indicates that 'good593' requested a review. The pull request description states 'good593 wants to merge 2 commits into main from feature-login_page'. Below the description, there are tabs for 'Conversation' (0), 'Commits' (2), 'Checks' (0), and 'Files changed' (1). The 'Files changed' tab is highlighted with a red box and a red arrow. The 'Files changed' section shows a list of changes: '모든 기능 개발 완료' (All features development complete) and '로그인 추가 개발 완료' (Login additional development complete). The right sidebar shows the 'Reviewers' section with 'mrcho593' and 'web-team' listed. A note at the bottom of the sidebar states 'At least 1 approving review is required to merge this pull request.'

The screenshot shows a GitHub pull request page for the repository 'goodjob-tutorial/team-project'. The pull request is titled '[Feature login page] 개발 완료 #3' and is from the 'feature-login_page' branch to the 'main' branch. It shows that 'good593' wants to merge 2 commits. The page includes a 'Resolve conversation' button and a green box indicating the status of the pull request. The status box shows 'Changes approved' (1 approving review by reviewers with write access) and 'No conflicts with base branch' (Merging can be performed automatically). At the bottom of the status box is a green 'Squash and merge' button, which is highlighted by a red arrow. Below the button, there is a link to 'View command line instructions'.

Issue 종료 여부 확인

The screenshot shows the GitHub interface for the repository 'goodjob-tutorial / team-project'. The 'Issues' tab is selected and highlighted with a red box. The search bar contains the query 'is:issue state:closed'. Below the search bar, the 'Closed' filter is selected and highlighted with a red box, showing a count of 1. The list of issues displays one result: '로그인 화면 개발' (Login screen development), which is a feature issue. The issue is marked as closed with a checkmark icon and a note that it was closed 2 minutes ago by user 'mrcho593'. The issue has 1 comment. The 'New issue' button is visible in the top right corner.
