The screenshot shows the GitHub interface for a milestone titled "MVP 개발". The left sidebar contains navigation links: Issues, Assigned to me, Created by me, Mentioned, Recent activity, Views, Projects, Milestones (highlighted), and Labels. The main content area shows the milestone details, including a "Back to milestones" link, the milestone title "MVP 개발", a status "Open", a due date "Due by September 4, 2026", and a note "Last updated 2 minutes ago". Below this, there are two bullet points: "챗봇 화면 개발" and "메인 화면". A progress bar indicates "0% complete". A "Create new issue" modal is open, displaying four templates: "Bug report", "Feature request" (highlighted with a red arrow), "Blank issue", and "Blank issue". The "Feature request" template description is "Suggest an idea for this project". The modal also includes a "Create new issue" button and a close button. The background shows the milestone's progress bar and a link to "milestones in this repo."
